

THBUK Flood Solution

THB UK Risk Solutions bring you a unique, new and exciting flood cover solution designed specifically for commercial policy holders based in high flood risk zones in England, Scotland and Wales. Our unique pricing approach delivers bespoke, fair premiums and cover can be tailored to meet your clients' specific requirements.

AT A GLANCE

Unique, new and exciting flood cover facility | Affordable flood cover for all commercial policy holders in high risk flood zones | Targeting commercial clients without flood cover or exposed to a high flood deductible or flood cover cap | Event based coverage linked to chosen trigger depth and level of indemnity | Technology based, with sensor installed externally at ground level at risk location | Cover provided by Everest Syndicate 2786, part of the Everest Re Group (rated A+) | Full payment made promptly without any adjusting, once a confirmed event has occurred | Payment funds can be deployed to suit the policy holder | Flood specific coverage to complement existing property programme | Delivers opportunity to win the insured's broader insurance portfolio

Please forward your enquiries to floodsolution@thbgroup.com or contact Stephanie Blair to discuss your specific risk requirements Tel. 0207 469 0207 Email. sblair@thbgroup.com
